BLANKET PURCHASE

City Puts $43,160 On New Vehicles

After careful calculations, the city council Monday night unanimously authorized the immediate purchase of 22 new city vehicles at the cost of $43,160 from surplus funds.

Two weeks ago by 3-2 vote the council rejected City Manager George Watts' recommendation that 26 new vehicles be bought—all of the same make—from the low bidder, Neville Ford, for a total of $52,694.

Monday's final verdict on the much-needed vehicles authorized the purchase of 16 vehicles from Gateway Chevrolet, five from Neville Ford and one Peerless G.M.C. truck. In each case, the vehicle award was to the low bidder.

Watts said the vehicles will be put into use here within the next 30 to 45 days.

Total price of the 22 new vehicles is $46,450.79, less some $3290 on trade-ins for 17 time-worn and mile-weary municipal cars and trucks.

The 22 new arrivals will include seven police sedans, a new car for the fire chief, six four-door sedans, four one-half ton pickup trucks, one pickup with an eight-foot body, one three-quarter ton pickup, one dump truck, and one station wagon.

This new "fleet" of 22 cars will cement the council's plans for a central motor pool based on a Shop Revolving Fund, in which all maintenance and servicing costs will be charged to each city department on a minimum expense basis.

The four cars left out by the council of the 26 recommended by Watts in the mass purchase were those for the city manager's office, parks and recreation, and the city finance office. These departments will continue to get car allowances.

The council at no time denied the need for the new vehicles. However, the majority felt that Watts' idea that they all should be of the same make for "standardization and maintenance savings" was impractical because it would discourage future bidders and affect the bidding amounts. The council also noted that each of the 22 new vehicles went to the low bid, whereas if one firm had the total low bid for all the vehicles, this did not necessarily mean that each vehicle represented the low bid.

The Shop Revolving Fund which helps to set up the vehicle purchase and replacement program here was firmed last year by the council in planning its present fiscal budget. Funds for new vehicles thus will continue to "build up" each year and will in no way affect the city's budget for capital outlay projects.

COMPANY 2 firemen and Bttn. Chief Frank Specht examine what's left of four mattresses and a chesterfield which caught fire (probably from a careless cigarette toss) here last Thursday on a truck delivering the household items to St. Vincent dePaul Society on Mission street. The truck driver didn't notice the blaze until another motorist flagged him down at the Lewkowitz gas station, corner of Bepler and San Jose.

WAREHOUSE OPERATION

Protests Continue On Piccinini Zoning

Protests continued Monday night before the council on the efforts of Dominic Piccinini to get his parcel of land north of Westlake avenue and south of Marchbanks Park zoned commercial for a warehouse.

Ten citizens from the park area showed up and two took the podium asking the council to at least restrict the height of the proposed warehouse so that it would not ruin their backyards and views.

Robert L. Williams, 664 Niantic avenue, said zoning the parcel commercial would disrupt a purely residential area of the city and "this doesn't represent good city planning," he remarked. Herschel Satterfield, 644 Niantic, said the matter had been kicked around for more than a year, citing the 126 petitions circulated against the zoning by citizens in the park area.

Williams said that if the council would limit the height of the warehouse to about 22 feet that this might be "reasonable." But at the same time he cited the disadvantages to the property owners should the commercial zoning be granted.

Mayor Micheal DeBernardi ordered the zoning hearing continued once again. He said the council was studying its new zoning ordinance which includes maximum heights for commercial construction here. He told the park-side residents that the council should be ready for a decision on the Piccinini request at its April 13 regular meeting.

In other hearings Monday, the council approved a petition filed by Henry Doelger for rezoning three parcels of land in Westlake Unit 10-A from C-1 to R-2, okayed petition by Zita Corporation to establish an R-1-B district in Olcese parcel in St. Francis Heights, approved petition of Doelger to rezone two parcels from C-1 to R-3 (apartments) on property west of Lake Merced Golf Course, and okayed petition filed by Paul G. Selmi to rezone lots 1 and 2, Block 1, Vista Grande No. 1, from R-3 to C-1.

The council also:

1. Drafted a resolution opposing proposed San Mateo County Flood Control District. Mayor DeBernardi said such a district would remove control of local decisions at a cost to taxpayers.

2. Accepted recommendations of city manager and Postmaster Vince Murphy to rename San Pedro west of Junipero Blvd. to eliminate confusion in street numbers on both sides of Junipero Serra on San

(Continued on Page 3)

CITY TO BUY 2 FIRE TRUCKS FOR $38,133

With Fire Chief Elmer Kennedy's official blessing, the city council Monday night awarded the purchase of two new fire trucks to P. E. Van Pelt Company of Oakdale at a total cost of $38,133.

The first truck will be delivered as soon as possible. The second will be received later this year when the new fire station in Westlake (south of Westmoor High is completed.

A total of eight firms submitted bids on the two trucks earlier this month. These ranged from Van Pelt's low of $19,066 (per vehicle) to the high bidder's $29,806 for one vehicle.

Kennedy told the council Monday that the Van Pelt firm met his department's specifications on the trucks "to the letter." He also cited the high quality of Van Pelt trucks already used by the city.

The city manager and his staff are still studying the 13 bids on fire department equipment—some 77 items. Their recommendations in this category are expected at the next regular council session.

The two new fire trucks both are 1250 gallons-per-minute pumpers. Addition of these vehicles and the new fire department equipment should reduce the number of deficiency points against Daly City assessed by the fire underwriters in their recent survey which brought heavy fire insurance rate increases. The trucks and equipment also will bring Daly City's fire protection service up to maximum adequate coverage.

City Asks Bids On Corporation Yard Buildings

The city council Monday night accepted plans and specs for the city's expanded corporation yard at Citrus and Niantic streets and moved to advertise for bids on the construction of a new city garage and storage sheds there.

City Manager George Watts estimated that the construction of these units should start within 60 days.

The corporation yard also includes the headquarters for the central motor pool and the city warehouse. In charge of the warehouse operation is Bob Evans, former city purchaser. The warehouse has been set up in the former city garage building. Supplies and equipment will be purchased in volume to lower the unit costs, thus saving the city considerable money in the long run.

PERSONNEL BOARD RECOMMENDATIONS

Council OK's Many Title, Duty Changes

The city council Monday night approved personnel board recommendations setting up second-in-commands for each department and removing these individuals from overtime pay eligibility.

The new department head assistants thus are: Mrs. Anna Ohlendorf, deputy city clerk; Roy McLaren, assistant police chief; William Chapman, civil engineer, public works department; Bttn. Chiefs Frank Specht, Wayne Alexander and Mel Hansen, fire department, and Phil Brown, administrative assistant to the city manager.

There are no assistant department heads designated in the library and finance departments.

The council also adopted the personnel board's recommendation that the police captain be allowed overtime pay, now that he no longer is second in command to Chief Roland Petrocchi.

The personnel board also recommended that the probationary period for new employees be extended from six months to a year. The city attorney feels this change can be made by council amendment instead of two-thirds vote of the citizenry. This will be persented for council decision in the near future.

Other personnel board recommendations accepted by the council were the changing of the title of senior parks maintenance man to supervisor of parks, changing qualifications for firemen in age specifications to 21st and 31st anniversaries for entrance, changing age specifications on assistant building inspector to 25th and 45th birth-

(Continued on Page 3)

W'lake Library Architect Bows Out Over 'Terms'

The city council has cancelled its contract with Architect Francis J. McCarthy on the new Westlake library and a new architect will be decided at the April 9 council study session.

City Manager George Watts announced the fall out with McCarthy on Monday, saying the latter failed to agree on city specifications as to payments and inspection assignments. Watts said McCarthy agreed to drop the contract.

The city manager said he would consult with City Librarian Sam Chandler and the library commission prior to the selection of a new architect by the council.

The library, to be located on Southgate in Westlake, will cost a total of $175,000 (including equipment) and is due to open this November. McCarthy's decision will not delay the timetable, although new plans will have to be approved by the city staff and library commission.

McCarthy's fee for the total contract was 8 percent, Watts pointed out.

Freeway Session Set In Pacifica

Representatives of the Daly City Freeway Committee will attend a meeting in Pacifica on April 3 of all north county cities regarding mutual highway development problems.

The DC council Monday night in additional freeway business authorized the firm of Wilsey and Ham to prepare a comprehensive report on the DC-preferred freeway — from all aspects — to provide the freeway committee with absolute and convincing data when it makes its presentation to the State Division of Highways.

Wilsey and Ham's fee from the city will not exceed $1500. Their report is due in about 30 days.

$60,000 Claims Filed Against High Schools

Actions involving $60,000 have been filed against Jefferson High School District.

It is alleged in a complaint for $50,000 made for student Robert W Greenamyer that injuries which he suffered in a metal shop class will result in permanent disability to his right hand.

Greenamyer lost his middle and ring fingers when, according to the suit, another pupil, Hilton Gillory, negligently closed a pair of metal shears on the hand.

The accident occurred January 21 at Jefferson High. Gerald Maxwell was teaching the class at that time.

According to the action, Greenamyer's injuries include lacerations, fractures, contusions, abrasions and severance of the middle and ring fingers. It is believed that this will result in permanent injury and disability to the right hand above the upper knuckles

(Continued on Page 3)

INDIRECT PRESSURE?

'SOS' Unit To Take Over Screening Role

Developments as of today point to the May 19 Jefferson Elementary School District trustee election as one of the most hotly contested in local history.

Within the past week, these incidents confirmed the thinking that the campaign will be heatedly waged and that the factions will be many and well organized:

1. The Jefferson Classroom Teachers Association, which last week announced through its president, Charles E. White, that it would select a screening committee of leading district citizens to interview all trustee candidates, Tuesday removed itself from the picture due to alleged "indirect pressure" from the board of trustees.

2. Trustee chairman Joseph Lewkowitz, a candidate for re-election, denied that "pressure" had been directed against the teachers and stated that it is the board's policy to "encourage all school employees to engage in the rights and obligations of citizenship . . . but direct political activity on the local level is not encouraged since the school district is an institution belonging to all the people."

3. Harry A. Fosdick, public relations spokesman for the California Teachers Association, confirmed with the newspaper that the intention of the Jefferson Classroom Teachers Association to select a screening committee "in no way was a violation of professional ethics" as far as the CTA is concerned.

4. The Serve-Our-Schools Committee, a group of district citizens long-active in promoting progress of Jefferson Elementary School District, has filled the "gap" left by the classroom teachers' withdrawal and this citizens' group will select a screening committee, interview all candidates voluntarily, and then go on record for whom they consider the "best qualified to serve as trustees."

The Serve-Our-Schools group, with John C. Pfeiffer, 130 Garden Lane, Colma, as chairman, expects to complete its screening committee appointments this week, then set a date inviting all trustee candidates for interviews.

Pfeiffer said the screening committee thus far includes Dr. Sheldon Morton, 322 Glenwood avenue, a member of the counseling staff of City College of San Francisco; Dr. William A. Cowan, 49 Morningside drive, professor of education at San Francisco State College, and Mrs. Bernice Cunningham, 188 East Vista avenue, director of Parent and Family Life Education of the 17th District PTA.

The SOS group took over early this week after White, president of the Jefferson Classroom Teachers Association officially withdrew his group's participation in the selection of a screening committee:

Said White:

"The implied threats that have been made indirectly to teachers (that the Jeff Classroom Teachers Association would no longer be recognized

(Continued on Page 3)

15 RESIDENTS PROTEST SITE OF RESERVOIR

Fifteen residents of Westlake Unit 9 protested the location of City Reservoir No. 6 Monday night in a letter sent to the council by the Westlake Improvement Association.

The homeowners, 11 of these on Skyline drive and the other four on Oceanside drive, suggested the city build the reservoir "100 or so yards south of the present site."

The citizens claim the reservoir site, just south of the 800 block of Skyline drive, is too close to their homes and constitutes an "eyesore." They said the big tank "would rise like a tower over our one-story homes," and in general, would create hazards to residents of this unit in the event of another serious earthquake here.

The council agreed there wasn't much that could be done about the reservoir location now since the site was selected and approved by the city long before these residents moved into Unit 9 in May of 1958.

Public Works Director Otis Calhoun checked his records which showed that the final map for Unit 9 was approved in November of 1956 The sixth reservoir site was designated in August that year.

The council Monday noted that the Doelger Corporation which sold the homes to the Unit 9 residents was well aware of the fact that a reservoir would be constructed in the area and that if any of these residents had inquired of Doelger Company as to what was to go in the vacant fields, they could have undoubtedly secured the correct information from the Doelger firm.

The council therefore Monday instructed City Manager George Watts to send a letter to these 15 residents explaining

(Continued on Page 3)

'Clean-Up Week' Here April 20-26

The city council Monday night set April 20-26 as "Clean-Up Week" in Daly City, calling for a community wide-effort in home improvements and spring cleaning. The chamber of commerce is coordinating the project.

Clean-up week here will be in line with the National Clean Up - Paint Up - Fix Up Bureau's annual program.

Ex-Councilman Del Wilson Has Major Surgery

Former Daly City Councilman Del Wilson underwent major surgery Monday at Ft. Miley Veterans' Hospital to correct a stomach disorder that has plagued him for many months.

A spokesman said the operation lasted approximately 5½ hours. Wilson came out of surgery "in good condition" and a source said he should be back on his feet in about a month.

Wilson, commander of Daly City's Old Glory Post 2044, VFW, is employed as a real estate salesman by the McKeon developers in St. Francis Heights.

DE BERNARDI RESIGNS

St. Clair On Sanitation Board

Councilman Bob St. Clair was appointed to the North San Mateo County Sanitation District board of directors Monday night by unanimous vote of the city council.

He replaces Mayor Micheal DeBernardi on the sanitation district's three-man governing panel. DeBernardi resigned from the NSMCSD at its regular meeting last week.

St. Clair joins sanitation directors Edward J. Dennis, city councilman, and Thomas Callan Sr., county supervisor from Colma.

DeBernardi's resignation was expected. Next month his role of mayor will end when the council carries out its new policy of rotating the council chairmanship once a year. DeBernardi has been mayor since May of 1958.

In main business last week, the sanitation district heard a progress report on its latest rat poisoning program and reviewed a letter from City Finance Chief Joseph Arch on the lower water rates for the district from the city.

The rat control program, first here since 1955, started the first of this month. Of 123 manholes checked so far, 83 proved to be "rat-free." The rest were "baited" to eliminate the rodents.

In another motion, the sanitation district authorized Senior Operator Lawrence Giuffras to attend the CSIWA convention in Long Beach, April 29 to May 2.

IN CHARGE of city's new central warehouse operation in former garage at Citrus and Niantic is Bob Evans (left), talking over the setup with Councilman Edward J. Dennis. By volume purchasing of supplies and equipment, the city will save money via lower costs per item.

KIDS 8 AND UNDER

Six Sites Saturday For City's Twelfth Annual Easter Egg Hunt

The 12th annual Easter Egg Hunt will be presented for boys and girls of Daly City and the Broadmoor area this Saturday morning, March 28, by the Department of Parks and Recreation.

The traditional event is co-sponsored by the Department of Parks and Recreation with the Jefferson Elementary School District, the Hi-Fi Teen Club, the James Snell PTA and the Colma PTA.

All local boys and girls, 8 years old and under, are invited to participate at one of the following six sites:

1. Frankfort Park (Frankfort and Acton streets).

2. Colma School (Hillside and Market streets) —Report to paved playground area behind school.

3. Westlake Park (Lake Merced drive off Alemany)—Report to Westlake Park clubhouse.

4. Westmoor High School (off Southgate) — Report to rear parking area.

5. Marchbanks Park (North and South Parkview). Ages 5 and under report to paved play area on upper level. Ages 6, 7, 8 report to baseball parking area on lower field.

6. Garden Village School — Report to paved basketball play area.

The hunts will start at 10:30 a.m.

There will be two separate hunts at each site. One hunt for ages 5 and under; another for ages 6, 7, 8 years.

In event of rain at 10 a.m., the hunt will be held at 1 p.m. the same day (weather permitting). If the hunt cannot be held at either of these times, it will be held the following Saturday, April 4.

Peeping Tom Escapes From Police Fire

Police shots failed to halt an escaping peeping tom at the Mission Bell Motel here last week.

The fleeing prowler leapt into a blue 1958 or '59 sedan with the partial license number of DVD and escaped the persuing officers when he fled away from Thiers street without lights.

According to the police report, Sid Warren, occupant of cabin 101 in the motel at 6843 Mission street, saw the peeper lurking behind the motel cabins on nine separate occasions during the evening before he called the police at 8:23 p.m.

Daly City officers Dave Hansen, Richard Sims and Hank Weisner responded to the call. They conducted a search after their arrival and quickly discovered the man behind cabin 52.

Upon questioning the suspect claimed that he was "visiting my girl friend." In a moment he changed his story and said "I am staying in cabin 52."

A key was produced by him and the officers saw that it did belong to that cabin. As they examined it the prowler bolted. Hansen gave chase. Then he pulled his service revolver and fired two shots in the air.

Rather than halting, the man leapt a fence on the Gambetta street side and then ran south on Hillside boulevard.

He outdistanced the officers, jumped in his car and drove off. They described the man as being from 30 to 40 years old, sandy balding hair, brown single breasted suit, red bow tie, low quarter sneakers, well spoken and very light on his feet.

A check of the motel register showed that a man registered for cabin 52 as J. Hillborn from Los Angeles, owner of a DeSoto with license number DHG 795.

Cabin 52 showed that the bed had been slept in and that a partially empty bottle of gingerale had been left there.

Further checking showed that in reality the cabin had been occupied for about an hour by a Cecil C. Gray between 7 and 8 p.m. Gray, said the police, left the gingerale behind and presumably had neglected to return the key. Instead, he left it in the lock.

This is the supposed explanation for the suspect's possession of the key. Daly City police are conducting a search for the peeping tom.

DC Cops Book Oaklander For Drunk Driving

A drunk driving charge was brought against Calvin William Armstrong, a 50-year-old Oakland man who lives at 628 36th street, by Daly City Police Officer Jim Bergstrom Saturday afternoon.

Bergstrom spotted Armstrong's car moving slowly in the fast lane on Junipero Serra boulevard. As the officer was watching, Armstrong stopped for a green light.

When Bergstrom gave chase at low speed Armstrong refused to pull over into a right hand lane. He was stopped and ordered from his car.

He swayed and was "obviously under the influence of alcohol," said Bergstrom. While proceeding to the station in a patrol car, Armstrong took a sizable gulp from a bottle of Listerine before he could be stopped, the officer reported.

Results of a blood test were positive. Armstrong was booked on a 502 (drunk driving) charge and the car was returned to its registered owner, Jimmy Daniels, 18 Rochambeau street, Oakland.

A police check showed that Armstrong has a previous drunk driving conviction in Millbrae.

Knocked Cold By Overhead Garage Door

An overhead garage door at Gateway Chevrolet, 7400 Mission street, accidently closed on a man causing him to be struck on the bridge of the nose and knocked out, according to Daly City police.

Roy Wallard, 151 Judson street, was rushed to Junipero Serra Hospital after his injury which occured at about 9:45 Monday morning.

Police report that the accident occured when Waller was walking up the service ramp of the garage and an unidentified workman accidentally pressed the button which closes the electrically controlled door.

DALY CITY LISTINGS WANTED

Wm. Lagomarsino & Co.
(Since 1925)
7100 Mission PLaza 5-1100

On March 10, the California Public Utilities Commission handed down a 3-to-2 decision denying, for the most part, our applications to discontinue certain little-used California passenger trains. This decision has caused some misunderstanding of our feelings about passenger train service. **THE TRUTH IS...**

WE WANT TO RUN PASSENGER TRAINS

We're in the business of running trains—*both* passenger and freight—and we expect to be running them for a long time to come. We want to make it very clear just how we feel about our passenger service.

1 **We want to run passenger trains that you need and use. We welcome passenger business and we hope more people will ride our trains.**

2 **We want our passenger trains to be good trains. We think our passenger service is as good as any in the country...and we intend to keep it that way.**

3 **We feel, however, that it is only sensible to discontinue those trains which so few people use that the trains obviously are no longer needed.**

ARE WE ACTING IN THE PUBLIC INTEREST?

Yes! Say these Commissioners...

Last week, C. Lyn Fox, President of the California Public Utilities Commission, and Commissioner Matthew J. Dooley, who presided and heard all evidence at the hearings, took sharp issue with many opinions expressed in the March 10 decision of the other three Commissioners.

In their dissenting statement Commissioners Fox and Dooley said that Southern Pacific "... is to be commended rather than condemned for initiating economies designed to reduce its out-of-pocket loss and thus enable it to continue on a reasonable basis a public passenger service which will meet the public need and convenience as demonstrated by present usage."

They further said, "... Southern Pacific ... has met fully the burden of proof necessary to sustain its application...."

"In no instance does the daily average number of through revenue passengers carried between major termini by any one of these six trains equal one bus load. To require applicant to continue to provide railway passenger service for a single bus load of passengers is uneconomical in the extreme."

The dissenting Commissioners pointed out that, although they were keenly aware that a utility incurs an obligation to meet demands of public convenience and necessity, as an economic factor any deficit suffered due to passenger train losses must be subsidized by agricultural, industrial and governmental shippers. They said that in the present case the majority decision "ignores the economics of the situation in general and of California shippers ... in particular."

The two Commissioners further stated that they had "... been unable to find in the record any evidence indicating, in the slightest degree, any lack of integrity in applicant's presentation. In this connection it is significant that the presiding Commissioner ... found no lack of integrity in their development and presentation."

And they concluded, "There comes a time when those charged with the responsibility of regulating public utilities should face up to the facts of change and act with objectivity and reason. That time has arrived in the State of California."

Department Of Motor Vehicles Much Tougher Now On Violators

Now that the Department of Motor Vehicles has launched its promised campaign to suspend the licenses of drivers found guilty of four or more moving violations in any 12-month period, it might be in order to explain what a moving violation could consist of.

It would be an over-simplification to say merely that any illegal or dangerous act committed while driving would constitute a moving violation. The Vehicle Code lists at least 200 things a driver might do to have his record marred.

The more common violations we all know, of course. These are speeding, driving while drunk or under the influence of narcotics, running through a pedestrian crosswalk, running a red light or boulevard stop, hit and run, etc., etc.

The good driver also knows that it is wrong to commit any of the less obvious bad maneuvers, such as cutting in or changing lanes in crowded traffic, jumping the gun at a signal light, blowing his horn unnecessarily, straddling a lane divider, failure to signal properly.

Most of the seemingly minor sins of driving simply are indicative of a wrong attitude. They show a lack of common courtesy, and could very well brand a driver as a member of that "fraternity of frolicking freeway freaks," or "boulevard beatnicks" who are about to be set afoot.

Driver improvement experts of the Department of Motor Vehicles have learned a lot about driver attitude in the 12 years they have been working with problem drivers.

"Put the meekest lamb behind the wheel of a powerful automobile, and you can have a lion on your hands," these experts will tell you. "By their actions they roar out their defiance of law and order and social decency, and make driving a nightmare for every other motorist on the road.

"And when they are called in to face a hearing as negligent operators, they are sullen, often insulting, seldom repentent. So what? is their attitude toward the evidence that they have driven dangerously."

Until now, it has been the policy of DMV to "keep 'em driving safely," rather than wholesale removal from the licensed driver list. That policy, under Director Robert McCarthy, has undergone a radical revision.

"If a driver can prove by a proper attitude toward his obligations to other drivers that he could be a safe risk on the highways, we will continue to work for his improvement," McCarthy said.

"But we are all washed up with those drivers who think they can go on getting away with murder."

W'MOOR PARK ESTIMATE IS $225,000

A tentative cost of $225,000 for development of the 5½ acre Westmoor Park site was announced at Tuesday night's meeting of the Daly City Parks and Recreation Commission.

Plans for the proposed development, located southwest of Westmoor High School, are now being turned over to the public works department for an additional estimate which will take into account the costs over the architect's original estimated price.

An April 6 meeting has been set in which the recreation commission and Jefferson High School district trustees are expected to discuss joint development of the site.

In other business a report was heard on a proposed marquis for the front of War Memorial Building on Mission street.

A tour was taken of the building's gym in which the new public address system was demonstrated and found to be "very satisfactory." At the same time the progress made on the sanding operation which will straighten the gym's warped floor was viewed.

The commission was told that the leveling would cost approximately $700.

Finally it was announced that Rich Watso, recreation leader, has been assigned to the summer camp program and the teenage program.

Council Okays Many Title, Duty Changes

(Continued from Page 1)

day anniversaries, and changing job duty statement of assistant electrical inspector to "maintains and repairs electroliers and police warning lights on a regular and emergency basis."

Under the new personnel changes, the following department heads and deputies are ineligible for overtime pay: city clerk, deputy city clerk, director of public works, civil engineer, chief of police, assistant chief of police, fire chief, battalion chiefs, director of parks and recreation, supervisor of parks, supervisor of recreation, director of finance and librarian.

Another change adopted was in physical requirements for police officers with the new prerequisites being at least 5-9 in height with minimum weight of 150 pounds, commensurate with build, 20-20 vision in one eye and 20-30 in the other.

DC Executive At Seminar In New York

R. E. Jeffrey of 11 Hillsdale avenue, Daly City, will attend the Shell Management Course from March 29 to April 24 at the Arden House campus of Columbia University, about 50 miles north of New York City.

Jeffrey, manager of the firm's products application department in San Francisco, will be among 30 managers from Shell Oil Company and its affiliates in the United States and Canada who will participate in four weeks of intensive study.

The oil company sponsors the course as a means of encouraging already successful managers to continue their self-development.

Jeffrey, who holds a degree of mechanical engineer from Stanford, has been products application manager since 1955. Prior to that he was senior engineer in San Francisco and automotive group leader in New York.

Two More Youths Break Law At Westlake Bowl

Daly City police arrested a 19-year-old youth for drinking inside Westlake Bowl last week. According to the bartender, the boy presented a false draft card in order to purchase a whiskey and soda.

Officer J. C. Wetmore discovered the youth drinking the alcohol outside the cocktail lounge. When questioned, he readily admitted being under age and said he had obtained the draft card "from a friend."

After being booked the young man was released on $50 bail. His court appearance was set for March 31.

Further trouble developed at Westlake Bowl on Monday night when officer Jim Bergstrom arrested a minor for playing the pin-ball machine. The youth was 20 years old and he has been using pin-ball machines the past three years on the strength of a falsified selective service identification which shows his age as 24.

He was booked and released on $25 bail with court appearance scheduled for May 2.

Police stated that the operators of the bowling establishment could not be held responsible for the youth's action due to his use of the falsified identification.

Assemblyman Francis Urges Tough Laws Against 'Obscene' Materials

An extensive report recommending the tightening up of laws relating to the publication, sale and distribution of pornographic and obscene matter in California, particulary to minors, is being studied by the State Assembly.

Assemblyman Louis Francis, chairman of the State Assembly Subcommittee which thoroughly investigated the subject, said that the probe of such material and its effects upon youth extended for nearly the past two years and the incidents uncovered during its statewide investigation demonstrated the immediate need for tightening up the laws.

In summary, the report recommended tightening up the obscenity laws, declaring the present laws, enacted in 1858 and 1859, have been attacked as "antiquated, cumbersome, too broad, and difficult to enforce."

A new definition of obscene material, Francis said, is recommended, defining such literature when considered as a whole as possessing a predominant interest in nudity and sex.

Whether or not a thing is obscene, he said, shall be judged with reference to "ordinary adults.

The legislation proposed in the report would make the practice of forcing news-dealers to buy obscene material to get publications that he wants on his stands illegal. The investigations revealed, Francis said, that this practice became widespread in California during the past several years.

In advertising it would be illegal to suggest that something is obscene when in fact it is not.

The report also recommends legislation that makes it a crime for anyone to use minors to aid in the preparation of distribution of obscene matter.

California has no present legislation by which a person can be enjoined from distributing obscene literature. The report recommends such a statute be added to the civil code in addition to possible criminal prosecution.

Stiffer penalties are recommended for violation of the anti-obscenity laws proposed by Francis and even greater penalties where the offense involves minors.

Evidence at the hearings, Francis said, disclosed a multi-million dollar business in the sale of so-called sexy and "girlie" magazines. Estimates put the business at some $500,000,000 annually. Approximately 75 per cent of some 15,000,000 issues annually fall into the hands of teenagers, the report said.

"We believe it to be a principle of our nation," the report stated, "that premarital or extra-martal sexual activity is dangerous and unhealthy. Anything that incites or lures or glorifies such activity is objectionable.

"Obscenity laws protect the morals of society. We believe such protection is necessary since history shows that when the morality of a society is destroyed, the society itself is destroyed."

"The committee in suggesting changes in the law does not wish to be put in the role of censor," Francis stated. "Neither does it wish to infringe on the freedom of the press."

The legitimate press, he said, is not involved. Besides, the courts have held that the constitutional provisions on freedom of the press do not include dissemination of obscene literature.

Burglar Gets Bills, Indian Heads, Old Coins On Bellevue

A burglar took an estimated $40 in cash, 300 Indian head pennies and miscellaneous old coins from the house of Ralph E. Schroeder at 368 Bellevue avenue last Thursday afternoon.

Entrance was gained through an open kitchen window and the intruder appears to have gone directly to the top right hand drawer of a dresser in the master bedroom where the valuables were located.

Because there was no evidence of ransacking police theorized that the thief may have been familiar with the Shroeder household.

At the time of the theft Schroeder was at his job as a stationary engineer. Beverly Schroeder is reported to have discovered the loss.

NO ADDITIONAL CANDIDATES IN SCHOOL RACES

No new candidates have filed in the Jefferson elementary and high school districts for the May 19 trustee elections. April 17 is the final date for filing.

Joseph Lewkowitz, gas station owner, 501 Vista Grande avenue, incumbent in the elementary district, is still opposed only by Don Lesher, plumbing contractor, 417 Castle street.

In the high school district James Cooper, Sharp Park, remains the lone candidate.

Bayshore has three candidates for its open trustee seats. They are Ferdinand J. King, incumbent; David G. Barry, incumbent, and Lila A. Nye.

Six candidates are running in Brisbane. Four are competing for three-year posts. They are Ellen I. Bhend, incumbent; Margaret M. Galtan, incumbent; Sidney M. McCullun and Nancy M. Moritz.

In competition for the term which expires in 1960 are incumbent Michael G. Nagy and William Jones.

Arrest Juveniles For Drinking At Bowl Parking Lot

Daly City police Saturday night arrested two minors at the east end of the Westlake Bowl for drinking beer.

They were discovered in a parking area just off Southgate avenue, seated in a car and passing a 16-ounce can of the brew back and forth.

When questioned, one of the boys presented a selective service registration card as proof of the fact that he was over 21 years old. However, upon further questioning by the officers he admitted that the card was not his.

The juveniles were booked for dripking an admitted two and one-half pints of beer. Each was later released on $25 bail.

Their appearance in juvenile court was set for March 31.

11-Year-Old Girl Victim Of Molest Try In Westlake

A Westlake child was assertedly molested by an unidentified man last Friday evening, according to Daly City police.

In their report the police stated that an 11-year-old girl was approached by a man described as about 35, five feet nine inches tall, of medium build and wearing a light grey suit.

The incident happened on Sullivan avenue near Eastmoor avenue.

15 RESIDENTS PROTEST SITE OF RESERVOIR

(Continued from Page 1)

the city's position in the reservoir selection.

Meanwhile, Calhoun recommended that the reservoir construction contract be awarded to the low bidder, the E. M. Penn Construction Company, in the amount of $98,356. The project also involves a 10 per cent clause for contingencies and $4000 fo rinspections and tests during the construction for a total cost of $112,692.

Six firms submitted bids on the reservoir. High bid was $113,146. This did not include the 10 per cent for contingencies and the $4000 for inspection and tests.

The council then forwarded Calhoun's recommendation to the Doelger Company and McKeon Corporation, who will share the costs of the reservoir under an agreement with the city. The city also must have the deed to the reservoir site before it awards the contract for its construction.

Laundry Truck, Driver, $200 'Disappear'

A laundry truck, its driver and $200 disappeared here last week.

According to Samuel Jacobson, owner and operator of Crocker Cleaners, 6215 Mission street, Richard Pilsey, a driver whom he recently hired, has failed to return to the shop since last Thursday.

Pilsey is in possession of Jacobsen's Dodge panel truck which has Crocker Cleaners painted in bright red and blue on the side, license number B-71616, and also, presumably, about $200 worth of collected receipts.

Pilsey is described as six feet tall, blond and 32 years old. A police check of his last address at 2161 Sutter street in San Francisco showed that he had abandoned the premises owing $75 rent.

Further work by the police turned up the fact that Pilsey is a paroie violator who is on the San Mateo County "wanted" list.

No charges have been pressed, "because," said Jacobson, "he might still be working and merely failed to have come back here for some reason."

Easter Bunny Due Saturday In Westlake!

The Easter bunnies will make their annual pilgrimage to the Westlake Shopping Center this Saturday afternoon and, as is their custom, they will distribute thousands of chocolate-covered Easter eggs to their young friends.

Boys and girls have been invited by the Westlake Merchants Association to visit the shopping center (and to bring their parents along, too) this Saturday afternoon, to see the bunnies and receive free Easter eggs.

Meanwhile the merchants of Westlake are featuring Easter merchandise of every description from fashions to Easter goodies for the young folks.

It has been announced that the Easter bunnies will be in the shopping center between 1 and 5:30 p.m. this Saturday.

KIP Workshop News

Richard Altman and Rich Fenn of Daly City were the star performers at a Kip show given for the Pacific Lions Club on March 20. The Kipstars led a group of Kip performers at Nick's Rockaway at the request of Bill Wolf, Pacifica postmaster. Bill Lorenzen, president of the Lions group, expressed thanks for the lively entertainment.

* * *

Kay Irvine, director general of Kip, is busy working on production plans for the spring variety show. The show will have as its theme a welcome to the fiftieth state of Hawaii as a springboard for a full evening's entertainment.

* * *

On March 13 Arlene Johnson, sensational six-year-old Daly City acrobatic dancer, the Velveteens and the Jays from the San Francisco Kipteen unit, Donna DeLaSerna of South San Francisco, Carol Lee Garbe, Carol Ann DeCot, Phyllis McQuade, John Rojas from SF City College, and Betty Molina of Daly City were among the many Kipstars who performed in Pacifica. Mrs. Beall and Mrs. Viola Cook of Sanchez PTA expressed gratitude to Kip for giving them help in a financial start for their school unit. Mrs. Allene Orchard had a party for the cast after the show.

* * *

Kip meetings are held on the second, third, and fourth Saturday of each month at Daly City War Memorial Building at 1 p.m. Kip welcomes all parents, leaders, and interested adults at all meetings and gatherings, as well as young Kipsters. Teenagers or adults interested in joining Kip should contact Mrs. Irvine, PL 6-6766, or Mrs. Joy Luster, PL 6-4551. Kip is a growing organization. In 1957 there were only eight children in Kip. Now in addition to the Daly City-South San Francisco group there are units in Pacifica and San Francisco.

* * *

Charles Addington of Daly City will be holding auditions for the second anniversary spring festival show the next two weeks. Those interested in appearing should attend the meeting on Saturday at the War Memorial building. The show, under the production of Mrs. Irvine, promises to be a big one. Plan to attend!

Injured In Fall, Woman Wants City To Pay Her $1000

The council Monday night denied a $1000 damage claim filed against Daly City by a registered nurse for injuries she claims she suffered in a fall on Irvington street near Crocker avenue on March 14.

Annie G. Sturtevant, of 6207 B Mission street, said she was going to her parked car on Irvington that evening about 10:30 o'clock and stepped down from the curb into a hole in the street, causing her to fall. She claims her injuries included a damaged left eye and left cheek bone, and numerous hand and leg bruises.

On recommendation of City Attorney Paul Hupf, the council referred the claim to the city's insurance carrier.

OBITUARY

James H. Fessenden

Funeral services were held Tuesday morning for James H. Fessenden 88, who resided at 169 Westlake avenue. Death came at his home on March 21 from natural causes.

Born in Illinois, Fessenden lived here since 1939.

His survivors include two sons, Robert O. and Edward J. Fessenden; two daughters, Mrs. Evely F. Soars and Mrs. Alta Pickford; six grandchildren and 16 great-grandchildren.

Burial was in Cypress Lawn Memorial Park.

Still Protests On Piccinini Zoning Request

(Continued from Page 1)

Pedro. New name was not decided.

3. Approved application of Edmund Pahl for use permit to install coin-operated launderette at 6201 Mission street on condition city fire department approve electrical system as "safe."

4. Granted variance to S. Delfino to eliminate garage and convert to a store at 6654 Mission street.

5. Approved business license for Leo Scopesi to conduct a used car business at 6774 Mission street as "City Auto Mart."

6. Appointed Bob St. Clair of council to serve as city chairman for state and national observance of Children and Youth conference called by President Eisenhower. City and county chairmen will meet on April 25 to report on their findings of youth problems in their communities and methods to help promote youth welfare.

7. Sent letter of commendation to Daniel "Bob" Silvestri of Daly City for winning the SF City Golf championship.

$60,000 Claims Filed Against High Schools

(Continued from Page 1)

In the second suit a claim has been filed by Linda Nutting in which she seeks compensation of $10,000 for injuries resulting from a fall sustained when she was attending night school at Westmoor High.

The accident occurred on the evening of January 27. Edward Morgan, superintendent of the district, said there were no witnesses to the mishap.

The claimant stated that she was rendered sick, sore, lame and disordered by damage to her back and other parts of the body.

Signals Due, 'Hump' Doomed On S. Mayfair

The council Monday night accepted plans and specifications for the installation of traffic signals at Lynnewood drive in Westlake (since renamed Lake Merced boulevard)—a project that will include the "opening" of South Mayfair at this intersection by the removal of the "hump" by the Doelger Corporation.

City Manager George Watts said the council would ask bids for the signals at its April 13 meeting. The Doelger firm has agreed to remove the "hump" blocking South Mayfair when the signals project is expedited.

The signals will be a city and state project paid for out of gas tax funds.

This signalization project will include harmonization with the existing lights on Alemany in Westlake.

The Doelger firm has been reluctant to act on the "hump" problem due to the long-standing court suit on the property.

'SOS' Group Takes Over For Teachers

(Continued from Page 1)

by the school board; that the teachers would get no pay increase; that the teachers would not get sabbatical leave; that the teachers would not receive travel credit on the salary schedule) have made it impossible for them to complete their job of selecting an unbiased group of citizens to screen and endorse candidates for the board of trustees.

"The Jefferson Classroom Teachers Association is therefore withdrawing and in so doing has notified the many citizens who had requested the cooperation of the association in attempting to get the best candidates for the board of trustees that could be obtaineded," White concluded.

Fosdick of the CTA office in San Francisco, when called by the newspaper, said the intent of the teachers here appeared to be in keeping with "democratic procedure."

"Their intent in appointing a screening committee," Fosdick said, "did not seem to be one of trying to control the election and backing specific candidates."

"I see no violation of ethics in the teachers' announced plan as stated," he pointed out.

Lewkowitz, asked for the board's stand on the matter, referred to district "policy" taken from the minutes of the October 26, 1950 meeting. This policy read: ". . . . that it became the policy of the district that no teacher or other school employee participate in any manner in political campaigns during school time and/or on school property and it is the opinion of the board that it is improper for candidates to enter school buildings or grounds for political purposes during school time."

In a second typed statement, Lewkowitz went on: "Political controversy interferes with the smooth functioning of school district affairs and for this reason the board prefers school employees to remain aloof from any political activity which might develop into controversy."

Lewkowitz said this latter statement represented the present school board policy on the matter. He repeated that "we (the board) have made no such threats to the teachers in this regard."

Pfeiffer, chairman of the now-rolling Serve-Our-Schools group, declared today:

"Our committee was encouraged by the announcement that the teachers were planning to set up a screening committee to review candidates for the openings on the board of trustees. We now understand that the teachers have decided not to continue with this plan, even though it was a perfectly proper activity for them to engage in.

"The SOS Committee announces that it will immediately work toward continuing the formation of a screening committee to carry out the original plan of the teachers. We will strive to obtain the most qualified citizens in the area who are completely unbiased and are representative of the entire community. As before, the only intention of this committee will be to select the best candidates for the board of trustees," Pfeiffer concluded.

Pfeiffer added that interested candidates for the board of trustees can call PL 5-3505 in order to make arrangements to appear before the screening committee.

Filing deadline for candidates is Friday, April 17, at the county schools' office in Redwood City.

Lewkowitz, completing his second three-year term on the board this June, and Don Lesher, plumbing contractor and president of Hillside PTA, are the only candidates for the two vacancies thus far. Trustee Mike Callan's term expires this June, but he will not be a candidate for re-election.

Municipal Court

Two Daly City cases came before Judge Charles Becker in the South San Francisco municipal court Tuesday morning.

Frederick Charles Cunningham, 276 Maple street, San Francisco, entered a plea of guilty to a charge involving a theft of less than $200. Judge Becker sentenced him to six months in the county jail and then suspended the sentence on condition that Cunningham make restitution of the tires and wheels which he had taken. Cunningham was placed on one year probation.

Steven Leslie Bowen, 1160 Nimitz drive, Broadmoor, changed his plea of not guilty to one of guilty on a charge of theft in the amount of less than $200.

After the new plea was entered Tuesday morning, Judge Becker sentenced Bowen to 60 days in the county jail. The sentence was suspended on the condition that the defendant pay a fine of $50 and remain on a one-year summary probation to the court.

Spring Carnival Plans Told By OLPH Mothers

A delicious dinner has been planned by a committee of the Mothers' Club of Our Lady of Perpetual Help School and will be served in the parish hall on April 26 between 3 and 6 p.m.

The dinner is an important part of the bazaar which this year will be called "Spring Carnival" and which is an annual event sponsored by the Mothers' Club for the benefit of the school.

Mrs. Isabella Liberti, chairman for the dinner, has announced that the menu will consist of spaghetti, tossed salad, French bread, dessert and coffee. Tickets are $1.25 per adult and 50 cents per child.

Mrs. Liberti and her co-chairman, Mrs. Helen Liberty, will be assisted by the following mothers:

Marian Balestreri, Barbara Gudel, Marina Ciabattari, Edo Bonini, Dorine Brown, Beverly Prola, Marie Reese, Theresa Garibaldi, Ita Kordoulos, Rosemary Ciernik, Beatrice Vorsatz, Ann Sharpe, June Maykel, Anita Nunes, Anita Ragone, Helen Hauck, Marie Weeden and Gloria Allen.

WEST PORTAL LUTHERAN'S EASTER WEEK

Chaplain (Col.) Herman H. Heuer and Vicar Theodore Laesch will officiate at the seven Lenten and Easter services to be held this week at West Portal Lutheran Church, 200 Sloat boulevard.

In the Maundy Thursday worship beginning at 8 p.m., Chaplain Heuer will speak on the topic "In Remembrance of Me." West Portal Lutheran Choir, directed by Vern Liermann, will sing "Behold the Lamb of God." At this service, 24 junior high school students, confirmed on Palm Sunday, will receive the Lord's Supper for the first time.

During the noonday on Good Friday a service for the entire community will be conducted when the acting pastor's topic will be "It is Finished." This service begins at 1 p.m.

An address entitled "With Christ on the Cross" will be delivered at a Good Friday evening service which begins at 8 p.m. Holy Communion will be celebrated by members of the church at this service and the choir will sing "Sorrow Doth Now Vex My Spirit." The setting is by Kuhnau, Bach's predecessor at St. Thomas Church in Leipzig.

Four high festival services will also be held on Easter Sunday at West Portal Church. "The Easter Truth" will be the subject of Chaplain Heuer's sermon at 8, 9:30, and 11 a.m. and also at 7:30 p.m. The choir will sing a portion of Bach's cantata "Christ Lay in Death's Strong Prison." Vicar of the church, Theodore Laesch, will act as liturgist in these special Easter services.

City To Observe 'Pan-American Week'

Mayor Micheal DeBernardi this week proclaimed Tuesday, April 14, as "Pan-American Day," and the period from April 12 to 18 as "Pan-American Week" in Daly City.

He said: "I urge our citizens and all organizations to join in the appropriate observances of Pan-American Day and Pan-American Week in testimony of the steadfast friendship which units the people of the United States with the people of the other American republics."

The new commercial jet aircraft are important users of nickel alloys — the engines, for instance, use at least three times as much nickel as piston engines.

T-Methodist Young Adults Tell Program

The Wesley Fellowship of the Temple Methodist Church, Junipero Serra boulevard at Nineteenth avenue, is an older youth group for single youth ages 18 to 26 years, meeting each Sunday night at the church from 7 to 10 p.m.

Under the leadership of its president, Dennis Murphy, a student at San Francisco State College, a very active program has been planned for the weeks ahead. On Easter Sunday morning, March 29, the group will attend the Easter Sunrise Service atop Mt. Davidson, at 6 a.m. In the evening at 7 p.m., the discussion topic will be "We Need the Miracle of Easter."

On Sunday evening, April 5, from 7-9 p.m., in the sanctuary of the church, there wil be a presentation of "Should Red China Be Admitted To The United Nations?", with Dr. C. Douglas Hayward of Trinity Methodist Church, Berkeley, speaking for the issue, and the Rev. Lawrence K. Whitfield of Temple Methodist Church, San Francisco, speaking against the issue.

The Rev. Myron Herrell of First Methodist Church, Burlingame, who recently returned from a trip to Russia, will speak at 9 p.m. on Sunday evening, April 12, on "You Can't Trust the Russians - Or Can You?" He will also show slides taken on his trip.

On Sunday evening, April 19, there will be a Box Social and Barn Dance in Fellowship Hall at the Church, from 7 to 10 p.m.

Dr. Laurel E. Glass, an Instructor in anatomy of the School of Medicine at the University of California Medical Center, will be the speaker on Sunday evening, April 26, at 7 p.m. Her topic will be "Christian Faith and Sexual Morality."

All older youth interested in joining this group are invited to attend at the time indicated. Further information may be had by calling the president of the group, Dennis Murphy, UN 3-0522, or the Counselors, Mr. and Mrs. Rolland V. Barney, LO 4-5834. Each Sunday evening program includes worship, discussion of a topic of interest to the group, recreation, and refreshments.

TempleMethodist Church School Classes Expand

Temple Methodist Church, located at Junipero Serra boulevard at Nineteenth avenue, offers church school classes each Sunday morning from 9:30- 10:30 a.m. for all ages from nursery, through the primary and junior grades, junior and senior high school, college, young adults, and adults. From 11 a.m. to noon, classes are offered for the nursery through the sixth grade. There are two wodship services in the sanctuary each Sunday morning—one at 9:30 and the other at 11.

The Sunday evening program for youth includes the junior high group meeting from 7-9 p.m.; and the Wesley Fellowship which also meets from 7-9 p.m. The Wesley Fellowship is an older youth group for single youth ages 18-26 years, who are either employed, college students, or service personnel. The Sunday evening program for each group includes discussion of a topic of interest to the age group involved, worship, recreation, and refreshments. Each group usually plans a party or some other social activity for each month.

A Young Adult Fellowship was begun on March 8, meeting each Sunday evening from 7:30-9:30 p.m. This group is intended for single and married young adults up to age 40.

A cordial invitation is extended to anyone interested in one of these groups to attend at the time indicated. Further information may be had by calling the church office, JU 6-1444.

Mail Changes For Residents On Lynnewood

Patrons of the Daly City Post Office residing on Lynnewood drive in Westlake were reminded that the city council action in changing the name of Lynnewood drive to Lake Merced boulevard is effective immediately.

Postmaster Vincent P. Murphy invites all residents of Lake Merced boulevard to obtain free cards with which to change their addresses with friends, publishers and other correspondents. Murphy urgently requested that this be done in order that there might be no delay encountered in the delivery of magazines and other mail matter.

All employees of the Daly City Post Office have been alerted to assist in the changeover.

HOLY ANGELS WOMEN MULL NEW OFFICERS

Nomination of officers will be the first order of business at the Holy Angels Women's Guild meeting on Wednesday, April 1. Chairman of the nominating committee is Mrs. Stanley Kettell.

Plans will be discussed for the Spring Dance to be held at Westlake Auditorium, Saturday, April 18. Proceeds from the "Spring Frolic" will be used to defray expenses for the parish's annual Fall Festival.

Members are reminded to make reservations for the annual Mother and Daughter Communion Breakfast to be held at Val's Redwood Room, 9 A.M. on Sunday, April 5. For reservations, call Mrs. Thomas Bocci, PL 5-5700, or Mrs. John Putke, PL 5-3865.

Easter Party For Shriners' Hospital Tots

Sixty little patients at the Shriners' Hospital for Crippled Children look forward eagerly to their Easter party, according to Miss Marguerite Peck, superintendent of the hospital.

The party, sponsored for the 29th year by Islam Chapter, Order of De Molay, will start at 10 a.m. on Easter morning in the courtyard of the hospital at 19th avenue and Lawton street. Following an outdoor varitey program, the De Molays led by Don Brill, master councilor of the chapter, will bring each child Easter cheer in the form of toys and a basket of Easter candy. Clowns and bunnies will accompany the group.

Harry Martin and George Weddleton are co-chairmen of the affair.

Household Help Employers Must File Tax Data

"Many Westlake homemakers are surprised to find out that they should be filing employer's Social Security tax returns because they have part-time or temporary household help," stated Mrs. Mercia Leton Kahn, District Manager of the San Francisco (Mission) Social Security office.

All employers of household workers are required to file returns and pay their Federal Social Security tax on the wages of any domestic employee who was paid $50 or more in a calendar quarter. Mrs. Kahn pointed out that only cash wages paid to household employees are taxable for Social Security. Other types of wages, such as room or board, don't count.

The employer is responsible for sending in the report and paying the tax, but one-half of the tax may be withheld from the employee's wages. The tax return should be sent to the Internal Revenue Service during the month following the close of the quarter. Social Security reports for the current quarter (January, February and March) should be filed between April 1 and April 30.

The form used to report wages should be obtained from the Internal Revenue Service. It is a simple form requiring only the listing of each employee's name, Social Security number, and amount of wages.

Further information can be obtained from the Internal Revenue Service or from the Social Security office, 761 South Van Ness avenue, San Francisco.

Job's Daughters Serve Potluck Friday Evening

This Friday evening, Bethel 198 of Job's Daughters will hold their Senior Princess' potluck dinner at 6 o'clock at 17 Hillcrest drive, Daly City. Cost is 50 cents for children and Jobbies and 75 cents for adults. Since the public is invited, tickets may be purchased at the door.

After dinner, the girls will attend a visiting Bethel meeting in which various Bethels from the Bay Area will be present.

On April 4, the marshal's project, a bake sale, will be held at Butler Bros. department store in Stonestown.

SKYLINE B'nai-B'rith Women, led by Mrs. Louis Gaylord (right), unit president, and Mrs. Phil Fracht, program chairman, will stage their second annual theater benefit party on Saturday, April 4, at 8:30 p.m. at Bella Union Theater in San Francisco. For reservations, call PL 6-7273 or PL 5-9390. THE RECORD photo

Easter Week Schedule At W'lake Baptist

The Passion week and Easter services at Westlake Community Baptist Church, Southgate and Elmwood drive, will take place beginning this Thursday in the Maundy services at 7:15 o'clock when the pastor will preach on "The Compassion of Christ".

The congregation will also be represented in the Good Friday services at Seacliff Community Church. Easter Sunday, two morning services will be conducted at 9:30 and 11 o'clock with the worshippers taking their choice of which hour they desire to attend.

The choir will render several anthems in both services and the Rev. B. G. Jacobson will preach on "The Power of His Resurrection" The dedication of children and the consecration of parents will also be included in the 11 o'clock service. In the evening at 7:30 o'clock, the Easter baptismal ordinance will be observed, with the closing meditation by the pastor. Visitors are invited to all the services of the church.

Purchase Site For Southern Baptist Church In W'lake

Westlake Southern Baptist Church has arranged to purchase 1.7 acres of land to be used for the erection of a new church building in Westlake.

The site is located at 100 Northridge drive and overlooks the Pacific Ocean. The church has also arranged to purchase the building formerly used by the Westlake Sales Office. It is planned to have this building moved and renovated so that it can serve as the first unit of the new church facilities.

April 15 has been set as the date on which the church hopes to use the new facilities for the first time.

Until the church is relocated, it will continue to meet in Westlake Auditorium, 331 Park Plaza drive, next to Westlake Shopping Center.

Easter services will be held in the Westlake Auditorium at 11 a.m. this Sunday, according to the Rev. Charles S. Jennings, pastor of Westlake Southern Baptist Church.

New Yorker Joins Marchbanks' Papers Editorial Staff

Marchbanks Publications increased its editorial staff this week with the addition of Cornelius "Con" Regan, 26-year-old native of New York City.

Married and the father of a baby boy born March 5, Con attended Albany State College (New York) and San Francisco State College, and worked as a general news reporter for the Yuma (Arizona) Daily Sun, followed by a stint as a trade journalist in San Francisco. He served with the Army in the Far East during the Korean war.

Editor Harold P. Bradshow said Regan would handle news, feature and photo assignments.

Sundays and Holidays — 1:00 p.m. to 5 p.m.
ALL ARE CORDIALLY INVITED

Bethel Lutheran Has Two Good Friday Services

On Good Friday, two services will be conducted at Bethel Lutheran Church, Alemany boulevard and Huron avenue. The first service will begin at 1:00 p.m., with the children of the Sunday School participating.

The Primary Department will sing: "Let Me Learn Of Jesus" and "Jesus, Tender Savior". The Junior Choir will sing: "Sweet The Moments Rich In Blessing".

The second service will be held at 8:00 p.m. The Rev. Herbert P. Schroeder will conduct both services.

Easter, with its glorious message of the resurrection of Christ from the dead, will be observed with three services: 8 a.m.; 9:30 a.m. and 11 a.m. Mr. Robert Schuneman, the organist, will render special Easter music on the organ, and the Senior Choir will sing under his direction at the third service.

The Junior Choir will sing an Easter anthem in the second service, with Miss Gladys Schultz as director. The Rev. Herbert P. Schroeder will preach in the first service on the subject: "Seeing the Risen Lord".

At the second and third services, the Rev. John P. Uhlig, Executive Secretary of the California-Nevada District, will preach.

Red Cross disaster volunteers worked 2236 hours last year in San Francisco.

2 Good Friday Services At Hope Lutheran

In keeping with the traditional observance of Good Friday, two services will be held at Hope Lutheran Church, Old San Pedro road west of Junipero Serra boulevard.

For the benefit of those in the community, a noonday service will be held at the church at 1 p.m. Rev. Louis C. Marting, pastor of Hope Church, will conduct the service. Meditations and music on the Seven Last Words of Christ will be the central theme. The symbolic solemnity of the day will be emphasized by the absence of any decoration, and by draping the altar in a veil of black.

The same setting will prevail for the centuries-old Service of Tenebrae at 8 p.m. that day. "Tenebrae" is the Latin word for darkness, and suggests the three hours of darkness as Christ hung on the cross. Twelve candles on the altar are extinguished one by one, signifying the flight of the disciples.

With appropriate Scripture reading and responses, and music by the Senior Choir and the 30-voice Junior Choir, the service will end in complete darkness, except for one candle representing Christ. This candle is not extinguished, but is carried from the church for a few moments, and then replaced, suggesting the coming resurrection of Christ. The public is invited to attend this meaningful and dramatic observance of Good Friday.

All recreation and park department playground directors are trained in first aid by the Red Cross.

Activities of Junior Red Cross in the schools include packing international gift boxes for students in other countries, preparing kits with Education-material for Navajo children, and making many other useful items for underprivileged children overseas and those served by local agencies.

DC Boy Struck By Car While Chasing Ball

A car struck 10-year-old Robert Sherwood, 35 East Cavour street, when he ran into the intersection of East Cavour and Mission streets in pursuit of a baseball on Saturday afternoon.

Sherwood was rushed to Junipero Serra where examination revealed concussion, contusions and possible bone fracture. Alonzo Gilbert, driver of the car which hit the boy, claimed that the accident was unavoidable because he had no chance to see him in time to apply his brakes.

This statement was backed by two witnesses, both driving cars which had stopped for the boy. According to their account, Sherwood ran into the intersection after his ball, picked it up and then ran back to the curb from which he had come. This gave Gilbert, approaching in the far right lane, no chance to see the boy, said the witnesses.

No charge was pressed against Gilbert.

An aftermath of the accident involved the loss of two baseball gloves which belonged to Sherwood. A fielder's glove and a first baseman's mit were both left behind on Jefferson High School lawn. His name was written in ink on the wrist band of each glove. A request has been made that any one finding them notify the Daly City Police department at PL 5-0850.

MORE than 200 women from all the Bay Area counties assembled at the studios of KQED-TV to hear details of the Koffees for KQED program for which they will lend their homes and hospitality on April 2 and 23. Among those who will invite ten or more friends to their homes to watch a special broadcast at 10:30 a.m. from the educational station are the Mesdames Roy Milam of Colma and Forrest Cunningham of Daly City. By chain reaction from this group, the non-profit, community-owned station expects to reach 20,000 prospective new members to help support its non-commercial television program.

Thornton Kids Visit Bank, Aquatic Museum

Thornton School's fourth-fifth grade class of Carolyn Miller and the fifth grade class of Peter Hansen recently enjoyed a study trip to the WellsFargo Bank and the Maritime Museum.

The museum at the Wells-Fargo Bank afforded the children an opportunity to view artifacts of early American culture. A highlight of the museum is the Concord stagecoach, built over 100 years ago.

At the Maritime Museum, the children saw many interesting relics of the sailing ship days. The trip was planned to enrich the children's current study of the westward growth of the United States.

Accompanying the classes was Mario Lombardi, student teacher at Thornton School.

The Mediterranean Sea, 1,145,000 square miles in area, has an average depth of 4,500 feet.

Skyline B'nai B'rith To Elect

Skyline Chapter B'nai B'rith Women will hold election of officers for the new term on Tuesday, April 14, at Forest Lodge, 266 Laguna Honda boulevard. Mrs. Louis Gaylord will preside.

Sessions begin at 8 p.m. Refreshments will be served. For transportation, telephone Mrs. Alex Kantrowitz, LO 6-9034.

Judy Johnson Speech Contest Zone Winner

Judy Johnson, Westmoor High student who lives in Broadmoor, won the Student Speakers' Contest zone competition Friday at Rockaway Beach.

She was the winner in the North Coastside Lions Club speakers' competition. Nancy Reginelli of Jefferson High represented the DC-Colma Lions in the zone finals.

Water District Incumbents Lose In Brisbane

Brisbane residents elected two new directors to the Brisbane Water District Tuesday.

Two four year term seats were open and four contestants competed for them. Both incumbents lost.

The vote, as reported by the Brisbane Water District, was as follows: William J. Frank, 834 Humbolt road, received 300 votes for the highest total; Byron L. Hampton, 443 Mendocino street, also won with 287.

The losing incumbents were Roy L. Haus, 55 Inyo street, with 262 votes, and Fred A. Reinard, 120 San Benito road, 265 votes. A total of 558 votes were cast.

AAUW Meeting In San Bruno

The San Bruno Branch of the American Association of University Women will hold a regular meeting next Monday night, March 30, at Parkside School in San Bruno. The session starts at 8 o'clock.

Guest speaker will be Dr. Robert Soloman, president of the San Mateo County Mental Health Association.

The AAUW unit, which includes many leadies from Daly City, also will hold election of new officers next Monday.

Nickel Silver Alloys

During 1958, the nickel silvers, a group of copper-nickel-zinc alloys containing up to 22 per cent nickel, continued as a preferred base metal for high quality silver-plated articles such as tableware.

OLPH Scouts' Paper Drive Ends Saturday

Boy Scout Troop 243's paper drive will end this Saturday, March 28.

Papers can be brought to Our Lady of Perpetual Help Church on Saturday morning, or pickups can be arranged by calling Harry Hettel, PL 5-0069.

The papers will be loaded into the vans by the Scout Troop Committee and members of OLPH Men's Club, then hauled away Monday morning.

Complete With Music

300 PARENTS, FRIENDS ATTEND JEFF PTA'S SPAGHETI FEED

By Servart Ojakian

Three hundred parents and friends attended Jefferson High School PTA's annual spaghetti dinner Thursday evening in the school cafeteria.

The affair was enhanced by music provided by Richard Larsen's school band.

The money earned will be used for the Student Welfare Fund.

One of the chief reasons for the success of the dinner was the cooperation of PTA and executive board members in planning and carrying out the various assigned duties.

The Jefferson High School PTA wishes to thank the many local business houses, and also the wholesalers in San Francisco who donated nearly every bit of the food that was consumed.

These are the businesses who so generously made donations: Celli Macaroni, Challenge Milk Company, Folger's Coffee, Frank Machi Meats at Hillside Grocery Store, Gianelli Bros., Hills Bros. Coffee, Hilltop Meat Market, Juan Yuen Meat department in Sun Market, Kusber Bros. Manufacturing Company, Lake Merced Nursery, Mayfair Market, Safebuy Meat Market in Market Basket, Safeway Store in Colma, Sorrento Macaroni Company, Sosso Macaroni Company, Spring Valley Meat Market, Tiedemann & McCorron Wholesale House, Vannucci Company, and West Coast Spice Company.

The white elephant sale netted a neat profit for the benefit fund.

Next regular PTA meeting will be held Thursday, April 9, at 8 p.m. in the high school Little Theater. Dangers of radiation fall-out will be discussed. All parents and friends are invited to attend.

Lesher Keeps Hillside PTA Presidency

Don Lesher, 417 Castle street, was re-elected president of Hillside PTA in the unit's meeting Thursday night in the multi-use room of Colma School.

A plumbing contractor, Lesher is a candidate for Jefferson Elementary School District trustee in the May 19 election.

Other officers chosen: Mrs. Connie Chauvin, vice president; Mrs. Eleanor Zenovich and Dr. Bernhard Gerdes, honorary vice presidents; Mrs. Norma Meda, recording secretary; Mrs. Rose Perrone, treasurer; Mrs. Vivian Wingate, financial secretary; Joseph Schultz, auditor; Mrs. Christine Saisi, historian; Mrs. Nin Sarubbi, corresponding secretary, and Mrs. Geraldine Vickers, parliamentarian.

The program featured a panel of students speaking on the general topic: "How To Be A Good Student." The students were Maureen Murphy, Joyce Gaggero, Sheila Waite, Judy Reed and Brian Bilkey. This program was arranged by the ways and means committee, headed by Mrs. Bernice Meinzer and Mrs. Vivian Wingate.

Flag ceremonies were handled by Mrs. Clifford Dignam's Troop 127.

The unit's ice cream sale on March 18 netted $35.25.

Ductile Austenitic Nickel Cast Irons

Austenitic nickel cast irons, long established throughout industry for high - temperature service such as in diesel engine components and for service under corrosive conditions in the chemical processing industry, are now available in the ductile form with much greater strength and toughness.

The Columbia Broadcasting System was founded in 1927.

Two Tons of Nickel Per Jetliner

It is estimated that a typical large commercial jetliner employs about two tons or more of nickel in various alloys. The engines account for approximately 1½ tons, with the balance employed in electrical equipment, structural members, firewalls and other components.

San Francisco ranks first on the West Coast in waterborne commerce.

Easter Sunrise Service Planned For Mt. Harkins

Easter Sunrise Services will be held on Mount Harkins at 5:45 a.m., announced the Reverend John Fredericks, vicar of St. Edmund's Episcopal Church of Pacifica.

Rev. Fredericks, program chairman for the Ministerial Association's Easter Service, said that in the event of rain the service would be held at the Sea Vue Theater, Pacific Manor, Pacific, at 6 a.m.

The program, designed so that each minister of Pacifica will participate, includes: Call to worship, Rev. Edgar A. Doering, pastor of Holy Cross Lutheran Church.

Processional, Christ The Lord Is Risen Today; Invocation, Rev. Herschel D. Harkins, pastor of the First Presbyterian Church of Pacifica; Responsive Reading, Psalm 98, Rev. John Fredericks.

Glori Patri, choir and assembly; special number, choir directed by Mrs. Edna Hyers and organist Mrs. Ivan Estes; announcements by Rev. Augustus Cox, pastor of First Presbyterian Church of Linda Mar.

Offertory prayer, Rev. Glen C. Smith, pastor of Bethany Southern Baptist Church of Linda Mar; Doxology, choir and assembly; scripture reading, Rev. Don Meister, pastor of Bethel Assembly.

A temporary cross has been erected on Mount Harkins. Ray Higgins, chairman of the Citizen's Committee, announced that funds will be raised to build a permanent concrete cross on the site.

BROADMOOR NAZARENE EASTER RITES

Easter services for Broadmoor Church of the Nazarene, Washington avenue at Edgeworth street in Colma, will begin at 6 a.m. with the sunrise service on the site for the new First Church of the Nazarene at Ulloa avenue near Portola drive in San Francisco.

The local church's Easter program will be given here during the Sunday School hour at 9:45 a.m. Morning worship will begin at 10:50 a.m. The Junior Choir will sing, "Were You There?" and "He Lives." Lucille Marrs will sing "The Unveiled Christ" and David edwards will render a violin solo. Special organ arrangements will be played during the service. The pastor's Easter message will be "He Lives."

At the 7 p.m. evening service a challenging film, "The Road Back," will be shown to climax Easter day.

Broadmoor Church of the Nazarene will cooperate in the

High-Nickel Alloys

Cast and wrought high-nickel alloys are the strongest materials commercially available for such highly stressed items as turbo-jet rotor blades for operation at elevated temperatures, and these alloys are specified for most of the first stage jet engine turbine blades.

Daly City Union Good Friday service, from noon to 3 p.m. at Seacliff Community Church, 50 Northridge drive. The Rev. Vernon Thomas, pastor of Broadmoor Nazarene, will participate.

YWCA Presents 'Under-Hood' Auto Class

If you are a woman and drive car is one of these a familiar roblem to you? The car won't tart! Oh, oh, a flat tire! Locked out again! Lost on a new reeway! How safe are the children in the back seat!

If you recognize a familiar roblem here, please, consider he YWCA's newest class for ou: "Auto Talk for Women — What Every Car-Driving Woman Should Know."

Planned for four sessions, the series is designed to help women find answers to these driving problems as well as many more.

The first class will begin on Thursday, April 2, at 10 a.m. at War Memorial building, Mission and Alp streets, Daly City. There is a $2 class fee.

A special feature of the series will be a field trip to an automobile repair shop where class members will have the opportunity to "look under the hood" as well as observe a car when it is "up on the grease rack."

Because the men guarding the Golden Gate at remote missile and radar sites are on 24-hour duty the Red Cross comes in with a coffee break just as it does at overseas bases.

By participating and contributing to the San Francisco Red Cross each member played his own small part in the work of the international organization when it effected the release of five American servicemen from East Germany last month.

Ski patrol members throughout the United States are trained in Red Cross first aid techniques.

Westlake Maternity Shop Short Changed By Man Posing As MD

A short change artist who posed as a Westlake physician relieved the Werner Maternity Shop, 315 South Mayfair avenue, of $20 last Friday noon.

According to the proprietor, Mrs. Fern Werner, the thief was a white male in his early 50's, about 190 pounds in weight, with a dark complection, dark bushy hair, bushy eyebrows and dressed in a dark brown suit.

Mrs. Werner stated that the thief entered the store and purchased a two dollar garter belt. After proffering a $50 bill in payment he pulled another large roll from his pocket and commented that he had forgotten about its being in his possession.

After that the culprit made "a lot of conversation," said Mrs. Werner, "while I rang up the purchase and made change."

When the man left the store she realized that she had made a $20 mistake. A quick check of the till verified her suspicions.

Mrs. Werner stated that the man identified himself in conversation as Dr. Charles Goodman with offices on the second floor of the Westlake Medical Building.

A police check showed no such person located at that address.

PLAY HERE SATURDAY

Jeff Nine Loses Tourney Bid, 4-3

Tourney-favorite St. Ignatius edged Jefferson's fired-up Indians 4-3 Monday in the opening round of the South San Francisco Invitational Baseball Tourney.

The Indians met Capuchino at Marchbanks on Wednesday in losers' bracket play. South City, winner over Cap Tuesday, meets SI this Thursday at SSF. Final games are this Saturday — the losers' bracket teams playing at Jeff High diamond here and the finalists colliding at SSF's Orange park.

All teams in the tourney are booked for three games—win or lose. Jeff, Cap, Riordan and Serra will be performing on the Jeff diamond this Saturday. These games start at 11 a.m. and 2 p.m. Pairings were not known at press time due to the outcome of Wednesday's games.

Walt Carlson of Jeff held SI to three hits Monday but his mates couldn't overtake the Ignatians. The Indians got five hits. Each side made three errors.

In Tuesday games, SSF surprised Cap, 3-1; Balboa nipped Serra, 3-1, and San Mateo beat Riordan, 7-2.

The tourney championship game is Saturday at 2 p.m. at Orange park, in South San Francisco.

BIG BAT and defensive skills of senior Jerry Kennedy behind the plate are counted on this season as Coach Steve Mezzera's Jeff High varsity Indians embark on a wide-open Peninsula League scramble. Jerry could be one of the best players in the eight-team league.

THE RECORD photo

BYA Tryout Session For Midget Team

Broadmoor Youth Association this Saturday will hold tryouts for a midget baseball team at Garden Village School yard, starting at 4 p.m.

Boys who did not reach their 11th birthdays before March 1 this year are eligible, according to manager Everett Heick. Experience, though desirable, is not necessary.

Team limit is 18 players. The squad will play in the upcoming Daly City Midget League. All boys from Westlake, Broadmoor and other parts of Daly City are asked to turn out, Heick said. For additional information, call him at PL 5-4680.

Schramm Paces Globe Keglers To Three Wins

Globe Tavern blanked Gigli Plumbing Tuesday night at Brentwood to inch closer to Paul's Flowers in the DC-Colma Bowling League wars.

Globe was led by Otto Schramm, John Bottaro and Al Pettigrew. Schramm had a 231 game and a 552 series.

Paul's took two of three games from Ruby Brand. Jerry Orr paced the league leaders with a 531 series. Ron Whitley had a 523 and Dave Wild a 501.

The town of Perkins, in Sacramento County, was named for T. C. Perkins, who established the first store and became the first postmaster there in 1861.

Westmoor Bags 6th Win Over Riordan

Righthander Bob Goodwin gave up only three hits Friday here as Westmoor High's varsity baseballers picked up their sixth practice win in 10 starts by beating Riordan, 5-2.

Coach Rod Losberger's Rams, who meet Sacred Heart next Tuesday and open Peninsula League play April 3 against Jeff, haye lost but two games. Two other Westmoor games ended in ties.

Goodwin took double honors Friday against the Crusaders, hitting two singles and driving in three runs. Other Ram hits were singles by Bill Dougherty, Bill Reynolds and Eddie Berg.

Riordan, which fell behind 2-1 in the second inning, used two hurlers. Bob Joyce, first Crusader moundsman, got the loss. Ram tallies came in the second with two, and single counters in the fourth, fifth and sixth.

Thursday last week, Westmoor lost a 5-0 decision to Palo Alto of the South Peninsula League. Outfielder Terry Christman, a soph, went the route for Losberger and was charged with the loss.

The day before at San Pablo, the Ram varsity battled the University of California' JV's to a 5-5 tie over seven innings. Senior Dave Simons, another righthander, went all the way for Westmoor, giving up 9 hits, walking five and fanning 7. Berg got two of Westmoor's five hits. Eddie's blows were a homer to deep right field and a double. He drove in two runs.

After 10 games, the Rams have three regulars hitting over the .300 mark. Catcher Tom McHugh is batting .370, Dougherty is .322 and Reynolds is at .320.

Goodwin has a 2-1 hill record. Simons is 2-0, Christman is 1-1 and Dick Reese is 1-0. Goodwin and Simons will be Losberger's main starters in league play.

DENNIS MARC OUTSTANDING FOR CSM FIVE

Dennis Marc, freshman center and forward on the College of San Mateo basketball team, captured top scoring honors in Big Eight Conference play with 347 points in 14 league games.

In addition, the former Jefferson High star set a new record in scoring at the college with 593 points in 27 games (non-league games included).

Marc, who won All-Peninsula honors in high school, was highly touted as an all-conference player in his first year in college.

Throughout the season, the Daly City ace was high-point man for CSM and kept the team in contention. In several games he scored over 30 points. His conference average was 24.8 points per game. Marc's highest scoring of the season was 34 points against Modesto Junior College, one of San Mateo's oldest rivals.

SIX-SIX Dennis Marc of Daly City led the Big Eight Conference in scoring and set an all-time College of San Mateo record with 593 points in 27 games. The ex-Jeff High center made the all-league team as a CSM freshman.

The San Francisco Water Department has thousands of acres of hay and grain lands under sharecrop arrangement, and cultivated crops such as strawberries, beans, cucumbers, sugar beets, gladioli and other row crops on a percentage basis.

DC PAL Cagers Rout SSF Five

High school members of Daly City's Police Athletic League last week swamped the South San Francisco PAL basketball team 74-41, in an exhibition game at SSF.

John Uccelli led the Daly City squad with 21 points. His brother, Bill, was next high with 14. Others scoring for Daly City were: Larry Lomore, 13; Gary Podesta, 12; Mike Blume, 8; Barney Maffei, 4, and Wayne Podesta, 2.

GIRL HORSEBACK RIDERS ELIGIBLE FOR RODEO QUEEN

All north San Mateo County high school girls who are capable horseback riders are invited to participate in the 20th annual Redwood City rodeo queen contest, President Paul B. Jensen of the sponsoring Peninsula Celebration Association announced today.

The queen will receive a $500 college scholarship and the two runners-up will receive $50 and $25 saving bonds. All girls accepted as contestants will reign over the July 3-5 rodeo in Redwood City.

Girls will be judged on horsemanship, poise, personality, beauty and scholarship. Deadline for entries is April 1.

Interested girls should contact Mrs. Dorothy Oeschger, 146 Rockridge road, San Carlos, LY 3-2232, or Mrs. June Jensen, 1031 Hollyburne avenue, Menlo Park, DA 2-3217.

COACH Bob Watt looks for a good season for his Jeff High varsity track squad in Peninsula League action. Above he discusses strategy with dependables (left to right): Pete Garcia, 440 and relay; Len Lamendola, 220 and 440; John Margaroni, 100 and 220 and relay, and Fred Marsh, sprints and relay. The Indians took third in the PL Relays last Friday, losing out only because they finished fourth in the half-mile relay.

THE RECORD photo

WESTMOOR TAKES FOURTH

Indian Trackmen 3rd In Peninsula Relays

Capuchino won Friday's Peninsula League relays at Westmoor with a grand total of 64 points, but the most surprising effort of the day was that of Coach Bob Watt's Jefferson Indians.

As it turned out, the Tribe finished a strong third with 53 points. San Mateo, the favorite, was second with 58.

Had Jeff taken the last event, the 880 relay, the Indians would have won the meet with 61 points to 60 for Cap. But Jeff managed only fourth place in the 880 affair as Cap came through first to cinch the meet. Westmoor was second and San Mateo was third.

Westmoor ended up behind Jeff Friday in total varsity points, finishing fourth with 49. Next came Burlingame with 19, Hillsdale with 6, and Mills and South City with only 1 point apiece.

San Mateo won the B and C divisions by overwhelming margins. Westmoor was third in the B's and Jeff fourth. Watt's C's were second to San Mateo with 43 points to the Bearcats' 78.

Jeff's best varsity efforts on Friday were winning the 440-yard relay and the distance medley—the latter in Peninsula League record time of 11:25. Watt's 440 unit was John Margaroni, Irwin Wong, Pete Garcia and Len Lamendola. Lamendola, Mike Wills, Felix Valdez and Charles Rivera were Jeff's outstanding combination in the distance medley.

Westmoor, paced by 880 specialist Dave Dunbar, set a new league mark in taking the mile relay. The Rams of Coach Ernie Ribera also took first in the two-mile relay.

Jeff scored seconds in both the discus and shot put relays as Jim Drake, Bob Nielson and Gordon Kennedy impressed for the Indians. Drake had a 134-10 discus effort—his best ever. The Indians were second in the pole vault relay as Mike Pechina and Westmoor's Dave Vogl tied for the top performance with vaults of 11-7. Bob Venedetti and Dave Butler joined with Pechina to give Jeff second in this event. San Mateo won it.

Wills high jumped 5-9 for Jeff in the high jump relay as the Indians took a third. Connie Eames and Leo Sineath also picked up points for the Indians.

Jeff won the C division medley with Ray Javier, Jerry Gomez, Narin Albert and Ted Marquez.

WESTMOOR High's Rich Burnham looks like one of the Peninsula's top hurdlers this season. The Ram varsity, Capuchino, San Mateo and Jefferson are the main contenders for the 1959 league championship. Rich, equally good in the 120-lows and the 180-highs, is a solid college prospect.

THE RECORD photo

PAL Jackets Arrive Here For Coaches

Officer John Coleman, president of the DC Police Athletic League, said today that he had just received a shipment of PAL jackets for the organization's coaches.

The jackets were purchased from funds raised at a $10 a couple dinner, held recently by the police officers and their wives.

PAL coaches from now on will be recognized by the jackets, Coleman said.

"In view of our limited budget," said Coleman, "this is the least we can do for the coaches who donate their spare time to develop our youngsters."

Colma Primary Students Busy With Athletics

Fifth and sixth grade boy and girls at Colma K-6 Scho have initiated a second seri of league games. This seri includes net volleyball f girls and baseball for boys.

The boys and girls dire their own program during th lunch period playing tim Dennis Huajardo, physical ed ucation coordinator, and Mr Eleanor Zenovich, principa launched the series throug meetings with the Athlet Council.

The Golden Eagles, sixt grade girls' team from Mr McKeown's class, were cham pions in the first series ne volley ball run-offs. Captaine by Sharon Cassidy, the tea members included Holl Barnes, Andrea Boccoleri, Pa Maita, Yvonne Magness, Antc nette Gonzales, Pat Seamar Linda Lonero, Jackie Toma sello, Virginia Flint, Jean Rei der and Gail Milly.

Champions of the boys' bas ketball series was the Alle Cats, Mrs. Busetto's sixt grade team. Members include Tom Snodgrass, captain; an Robert Astleford, Gary Bellot ti, Richard Cuadra, Jack Cays sials, James Crane, Ray Dur ham, Armando Estrada, Joa quin Lockwood, Silvio Podest and James Menconi.

PAL Yankees Defeat BYA Midgets, 13-3

DC's PAL Yankees score their second straight Park merced Midget League wi Saturday by downing the BY nine, 13-3.

Coach Roger Kucich's win ners next meet San Pedr Lunch this Saturday afternoo (2 o'clock) at Westlake park.

Frank O'Malley went th full six innings for PA against BYA. He fanned 1 batters, walked six and allow ed three hits.

Mike Kernich got three o the 13 hits for the Yankees.

Bob Callero Ends Recruit Training

Bob E. Callero, son of Mrs Arvilla R. Callero of 134 San Diego avenue Daly City, graduated from recruit training March 20 at the Naval Training Center in San Diego.

The graduation exercises marking the end of nine weeks of "boot camp", will include a full dress parade and review before military officials and civilan dignitaries.
